

Douglas County ROSC Council STYLE (Strengths Through Your Lived Experience) Subcommittee

Date: September 16th, 2026

Time: 6:00 PM – 7:30PM

Location: PJ's Place Tuscola

Welcome and Introductions for any new attendees

Attendees:

Lyndsey Reedy (ROSC Council Coordinator), **Rob Wentz** (Community Member) **Nick Blakemore** (Community Member), **Ben Stutsman** (Community Member), **Hayden Baker** (Community Member), **Ashley Morgan** (Community Member) **Roland Delaney** (Community Member), **Steve Henry** (Community Member)

After introductions the group spent time updating each other, there was time to share about their personal experiences, and some difficult situations they are currently navigating and offered support to each other.

For some transportation remains a barrier. One person has reached out and found a driver who has been very understanding and generous. The group shared about other possible transportation ideas, and resources for mental health counseling in a neighboring county.

Attendees took a good amount of the time together using the talking point resilience conversation cards. This helped to facilitate a lot of discussion amongst the group in the areas of goal setting, self-care, self-reflection, family and relationships.

Everyone took some time to fill out the Douglas County ROSC Community Survey before adjourning.
