Old Business:

- **What is ROSC?**
 - ROSC is a coordinated network of community-based services and supports that is person-centered and builds on the strengths and resilience of individuals, families, and communities to experience recovery and improved health, wellness, and quality of life for those with or at risk of substance use and/or mental health challenges. The central focus of a ROSC is to create an infrastructure, or “systems of care”, with the resources to effectively address the full range of substance use and/or mental health challenges within communities.
- **Logan/Mason ROSC Mission Statement**
 - Improving access to health, wellness, and holistic recovery options for people who are at risk of, or suffering from, substance use disorders while educating and connecting Logan and Mason counties to reduce stigma and improve recovery outcomes.

Community Survey

- The community survey was taken by the meeting attendees.
- The survey has been emailed for people to share on social media.
- The goal is to have 350 surveys completed.
- Last year, there were about 180 surveys completed; the year before there were about 320 surveys completed.
- This survey is being launched now and will be live until December.
- The survey takes about 5 minutes to complete.

Community Resource Guide

- During the meeting, the council went through the community resource guide.
- The questions being asked of the community resource guide:
 - Are there new resources that we need to add?
 - Have any programs or services changed?
 - Is anything listed that is no longer available?
 - How can we increase awareness of this guide?
- The following is feedback for the Logan County medical treatment providers section:

- Jeanette mentioned that Meadowview should be added, but it is unsure if medical treatment is offered there in addition to mental health services.
 - Kara mentioned that there is a private physician in Lincoln, Dr. Dru Hauter, where you pay a monthly fee. He could be added to the list because there are patients of his who come to the health department in Lincoln.
- The following is feedback for the Logan County mental health services/providers section:
 - Jeanette mentioned that Meadowview would fit better in this section.
 - Grace mentioned that Pavillion provides mental health services and should be added to the list.
- No changes need to be made for the Logan County local law enforcement partners/drug court section.
- The following is feedback for the Logan County first responders section:
 - Add spacing between Logan County Sheriff's Department and Memorial Care Lincoln.
 - Jeanette mentioned that American Ambulance could be added to the list.
- The following is feedback for the Logan County schools/colleges section:
 - Grace mentioned that Menta could be added to the list, but Jessica mentioned that she thinks they may be moving to Pekin, so we should not add that to the list.
- The following is feedback for the Logan County inpatient SUD treatment providers section:
 - Grace mentioned that Gateway Foundation needs to be changed to Alphasus.
 - Jeanette mentioned that the Human Service Center in Peoria, which is associated with Trillium, could be added to the list.
- The following is feedback for the Logan County inpatient SUD treatment providers section:
 - Grace mentioned that Gateway's name would need to be changed, Meadowview could be added, and the Peoria places could be added.
 - Kristin mentioned that Lincoln Prairie Behavioral Health could be added to the mental health providers list. Telehealth services are available for youth.
 - Kristin also mentioned that The Hour House in Charleston is able provide telehealth services for adolescents. This could be added to the adolescent SUD services/supports list.
 - Grace mentioned that Matt once said that Alphasus will be providing services for adolescents as well, will need to follow-up with Matt on that.k
 - Jeanette mentioned that Meadowview is serving those 55 years old and over. By November, they will launch services for adults. By January, they providing services for those 12 years old and over.

- Heritage Behavioral Health is another agency that could be added to the inpatient SUD treatment providers section. Child and adolescent services are and SUD treatment is provided there.
- The following is feedback for the Logan County MAR providers section:
 - Grace mentioned that Gateway's name would need to be changed.
 - Carmen mentioned that she knows someone with SIU MAR that provides services to Springfield/Taylorville. Carmen may ask her for the updated contact information.
- Grace mentioned that she already knows what she needs to do for the Logan County harm reduction resources section.
- Grace mentioned that she will update Oxford House for the Logan County sober living section.
- Jeanette mentioned that there is sober living housing based in Springfield, Titus 212.
- The following is feedback for the Logan County family and social services section:
 - Emma mentioned that the Youth Service Bureau can be added since it does case management for runaway youth for Logan and Mason counties.
- No changes need to be made for the Logan County civic organizations section.
- No changes need to be made for the Logan County physical spaces section.
- The following is feedback for Logan County other supports (food pantries, transportation assistance, etc.) section:
 - Grace mentioned that West Central Mass Transit District cover several counties. They are open Monday through Friday from 7:00 a.m. to 4:00 p.m. You can call 24 hours in advance and calls are welcome six months in advance; the earlier, the better.
- No changes need to be made for the Mason County medical treatment providers section.
- No changes need to be made for the Mason County mental health services/providers section.
- No changes need to be made for the Mason County local law enforcement partners/drug court section.
- No changes need to be made for the Mason County first responders section.
- No changes need to be made for the Mason County schools/colleges section.
- The same agencies will need to be added to the Mason County inpatient SUD treatment providers, outpatient SUD treatment providers, adolescent SUD services/supports, MAR providers (names of doctors/providers), harm reduction resources, sober living housing opportunities, family and social services, and peer-lead recovery groups (AA, NA, etc.) sections.
- Grace mentioned that Manito and possibly Mason City have their own rotary to be added to the Mason County civic organizations section.

- Kara mentioned that Mount Pulaski may have their own American Legion and could be added to the Logan County civic organizations section.
- Kim mentioned that the Central Illinois Veteran's Commission and the Veteran's Assistance Commission could be added to the list.
- Carmen mentioned that OSF has new inpatient psych options in Peoria and Urbana. Carmen also stated that she thinks that OSF offers both inpatient and outpatient options.
- **How can we increase awareness of this guide?**
 - Grace has mentioned that she has been putting this resource in the Reframing Recovery boxes, but updates need to happen and the cards have been updated.
 - To get this resource into people's hands, Kim mentioned that the link to the resource can be shared on websites.
 - This resource has been shared on the ROSC social media pages.
 - Another option is to create QR codes and place them on business cards or flyers as a link to the resource guide.
 - Kristin mentioned that this can be placed on the governor's portion of the ROSC website.
 - Abby mentioned that sharing it on social media platforms and having hard copies at doctor's offices, health departments, etc. would help spread the word.

Community Survey Distribution Brainstorm

- At next month's meeting, the council will talk about different ways to distribute the Logan/Mason ROSC community survey to the community.
- The survey will be shared on the Logan/Mason ROSC social media pages and posted around the community.
- The survey will also be distributed at community events.
- There have been ideas of going to food pantries, etc. to distribute the survey.
- Bring ideas of how the survey can be distributed to the next ROSC meeting.
